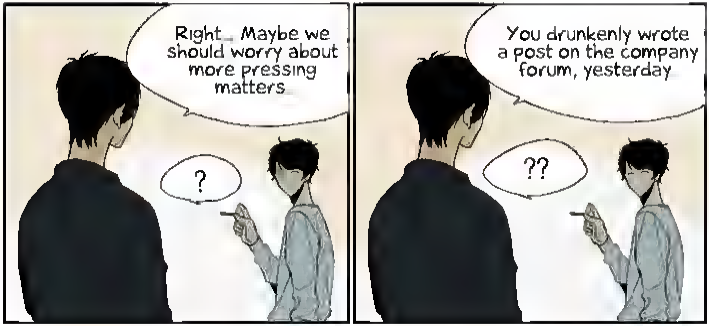
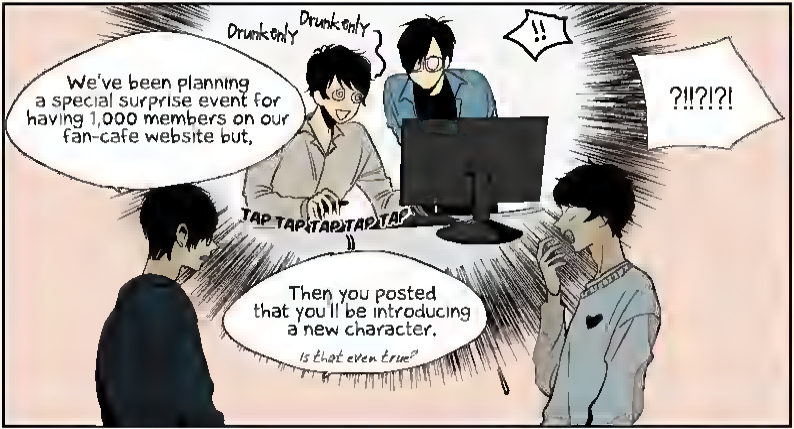
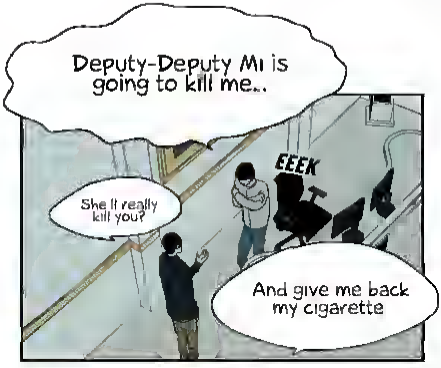
He approached me first with his homosexual advances
I think perhaps it's time he tastes his own medicine.



Right... Maybe we should worry about more pressing matters...
?
You drunkenly wrote a post on the company forum, yesterday
??



Drunk only
Drunk only
!!
We've been planning a special surprise event for having 1,000 members on our fan-cafe website but,
?!!?!?!
TAP TAP TAP TAP TAP
Then you posted that you'll be introducing a new character.
Is that even true?



Deputy-Deputy Mi is going to kill me..
EEEK
She'll really kill you?
And give me back my cigarette

There's no smoking in here, Chief Byeon..

The girl looks really fantastic, too!

So...

You spent everything you had buying a foreign, imported car,
Instead of going to University, and became dirt poor?

Of course.
Well, it's fine.

I'm trash! Human scum!
But I'm trash with a cool car!
Well, it's fine.

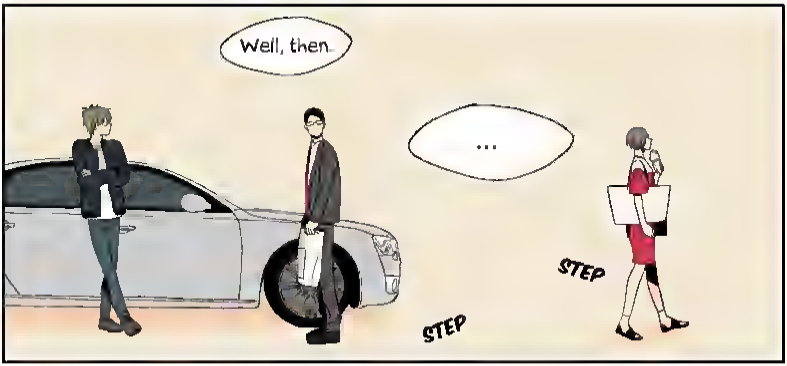
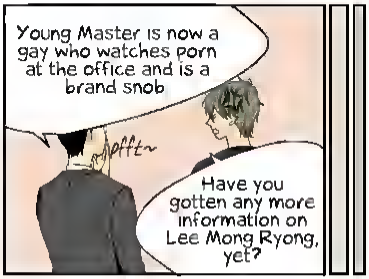
Even though you're a brand snob, you must have some circumstances you'd rather keep to yourself.

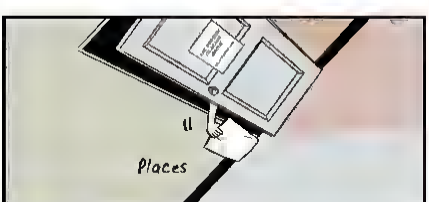


Well, then-
...
STEP
STEP



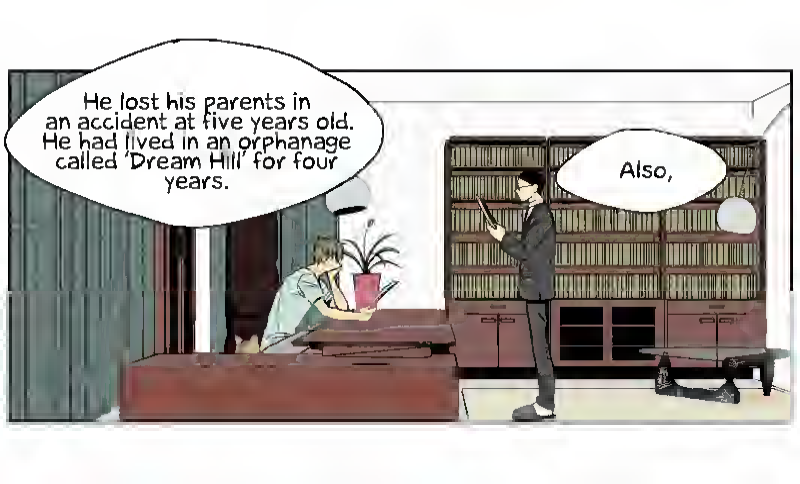
Young Master is now a gay who watches porn at the office and is a brand snob
Have you gotten any more information on Lee Mong Ryong, yet?

creak
off limits for Shi Hyun.
If you tear this off again, you're dead

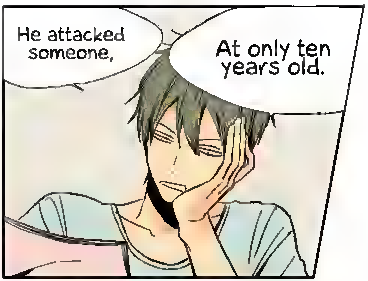


Places

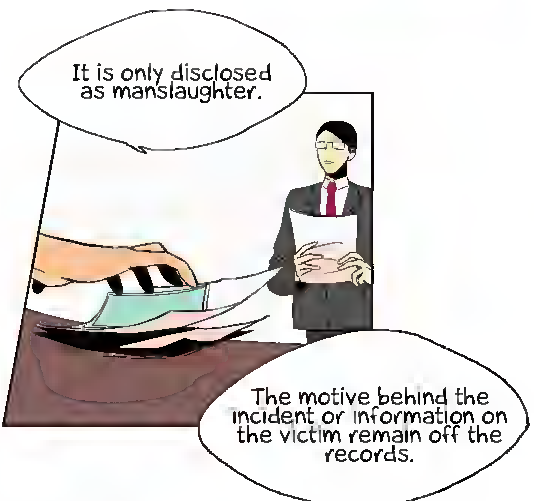
Lee Mong Ryong,



He lost his parents in an accident at five years old. He had lived in an orphanage called 'Dream Hill' for four years.
Also,



He attacked someone,
At only ten years old.

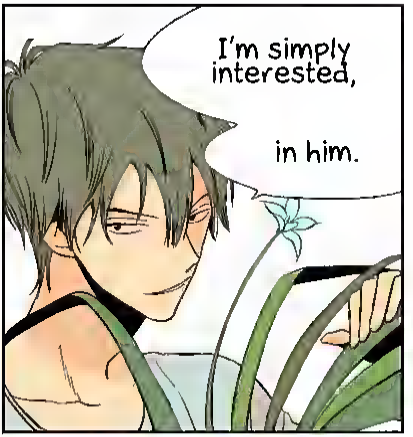


It is only disclosed as manslaughter.
The motive behind the incident or information on the victim remain off the records.

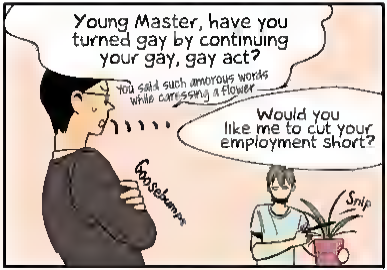
Afterwards he was transferred into another orphanage for four more years,
And then disappeared without a trace.

Like I said, this is all I could find on him.

Find more.
...Why?
It's a waste of time



I'm simply interested,
in him.



Young Master, have you turned gay by continuing your gay, gay act?
You said such amorous words while caressing a flower
Would you like me to cut your employment short?

What's wrong, Deputy Mi Hyang Dan?

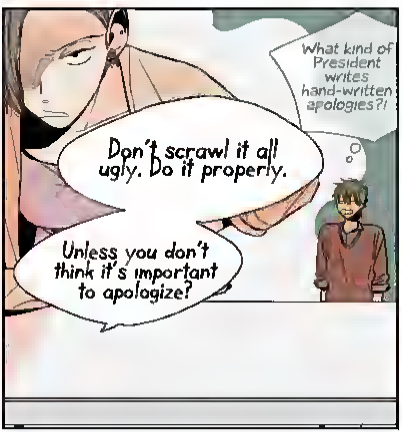
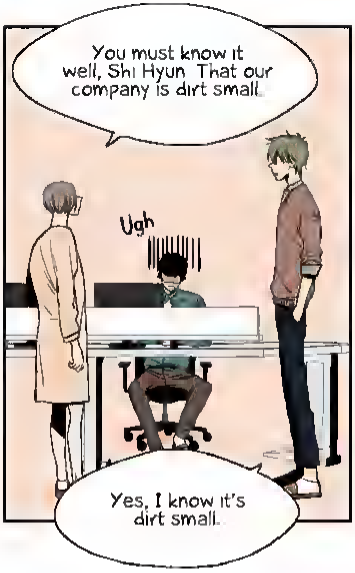
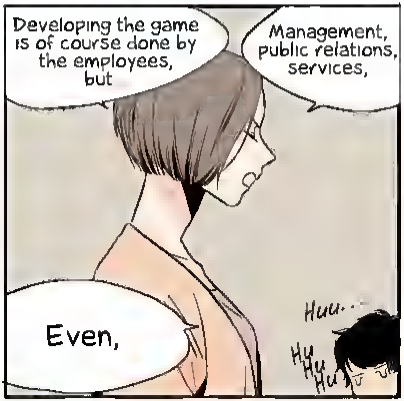
Deputy Mi...
If only I could just print this...
You are the one who promised them hand-written letters.



What kind of President writes hand-written apologies?!
Don't scrawl it all ugly. Do it properly.
Unless you don't think it's important to apologize?

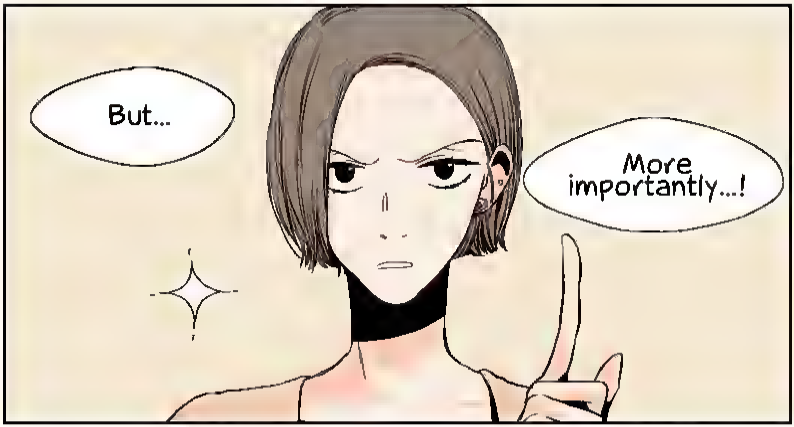


You must know it well, Shi Hyun. That our company is dirt small.
Ugh
Yes, I know it's dirt small.



Developing the game is of course done by the employees, but
Management, public relations, services,
Even,
Huu...
Hu Hu

The voice acting work for the game,
Is all divided among the employees.



But...
More importantly...!

TK/N: In this case the otakus are obsessed with Castle Soft's game 'The Secret Garden.

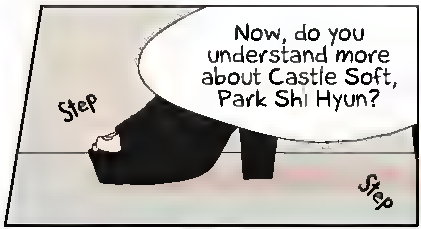
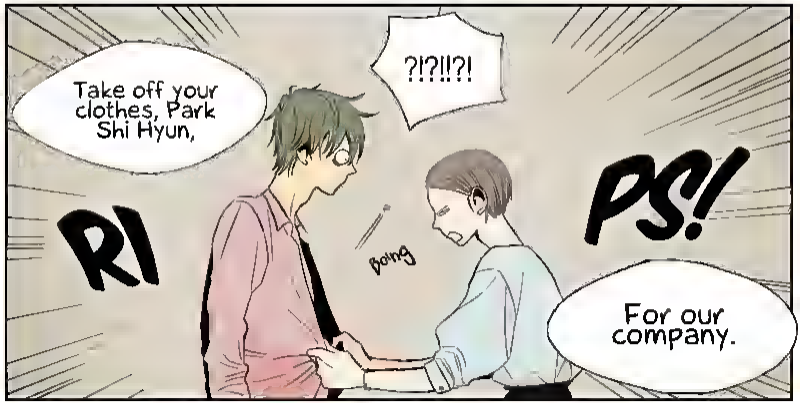
Kyaaaaaaaa
...Even if we discovered a huge game-breaking glitch we can never miss a fan meet-up.
So much...

This is another reason why we are called 'Guro Idols'.
How can this be a dirt small company like this?



Now, do you understand more about Castle Soft, Park Shi Hyun?
Step
Step

Yes, well... Somehow.
I understand it's a group of shitheads
In that case,



Take off your clothes, Park Shi Hyun,
?!?!!?!

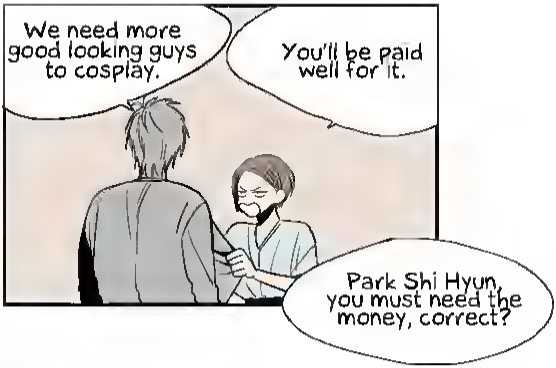
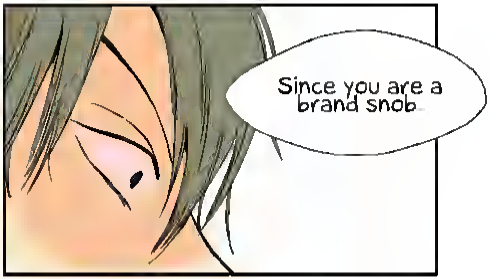
PS!
For our company.

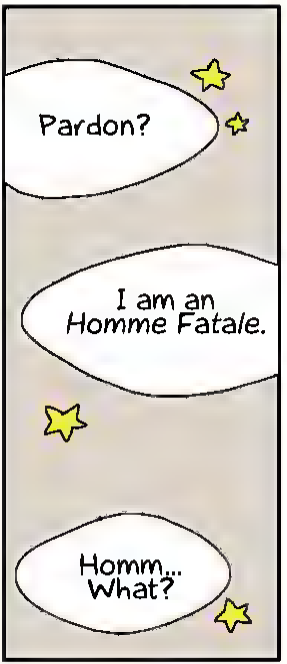


We need more good looking guys to cosplay.
You'll be paid well for it.
Park Shi Hyun, you must need the money, correct?



Since you are a brand snob

PR/N: From her opinion back with the car when she questioned his sanity, now she's sure of it xD



Pardon?
I am an Homme Fatale.
Homm... What?

Every woman will have a hard-on to possess me once they see me
My fatal charm makes men miserable.
